The revenue from the marketing and trading segment increased from RM12.36 million to RM14.52 million, an increase of 18% as compared to the previous corresponding quarter. The increase in revenue is due to higher consumer demand for the products for this market segment.

Revenue contribution from the manufacturing segment decreased from RM8.47 million to RM7.65 million, a decrease of 10% as compared to the previous corresponding quarter. This was mainly attributable to lower export sales.

Revenue contribution from the other segments i.e. investment holding, retail of food and beverage businesses were RM0.56 million.

The Group's revenue for the financial period ended 31 December 2020 was RM67.42 million, 1% higher than previous financial corresponding period. This was mainly due to higher consumer demand for the products attributable to the COVID-19 outbreak and expansion of our distributors network.

B3. Commentary on Prospects and Targets

The ongoing COVID-19 pandemic outbreak and the containment measures have posed an unprecedented challenge to the Malaysia economy. This has impacted our manufacturing segment in 2020 and we foresee the impact to continue while the pandemic continues. The manufacturing segment will continue to be mindful of the operating cost and seek opportunities to enhance operating efficiency and growth.

For our marketing and trading segment, despite a challenging economic situation caused by the pandemic, we see opportunity in our direct selling business as more people looking to earn supplemental incomes and procure health care products.

We will leverage on the momentum build up and experience gained during the year 2020, so as to continue to strengthen on adoption of internet technology towards the new direct sales model.

We will expand into the Beauty market segment through the launch of Myraz. We are confident that this will attract a younger crowd which will complement well for our existing segment. Further strengthening the foundation and opportunity for our independent CNI Business Owners.
